

DESIGNATED MEDICAL PROVIDER

Grand Forks County participates in the North Dakota Workforce Safety (NDWSI) Risk Management Program. This program allows the County to designate health care providers to treat your workplace injuries and illnesses. These providers can be individuals, clinics, hospitals, or any combination thereof. They can be medical doctors, chiropractors, osteopaths, dentists, optometrists, podiatrists, psychologists, or any combination of these providers. **NDWSI may not pay for medical treatment** to another provider unless you are referred to this provider by Altru Health Systems, or unless you notified us in writing prior to the injury that you wanted to be treated by a different medical provider. You must also name your medical provider. **Emergency care is exempt** from this designated medical provider requirement.

The Designated Medical Provider for Grand Forks County is ALTRU HEALTH SYSTEMS.
